QSI International School of Haiphong is a private, non-profit institution founded in 2005 which offers a high-quality, coeducational, college-preparatory education in the English language for children from ages 2 through Secondary IV (18-year-olds) and includes students from the Haiphong and the international business communities. The warm and welcoming school community makes it an ideal place to receive a quality education.

The school facility is located in the quiet Me Linh Village, a foreign residential community near the Pearl River Hotel. The school facility offers a new purpose-built building that includes a full English library, science laboratory, music center, indoor multi-purpose room, full-service cafeteria, well-equipped early childhood center, and state-of-the-art, well-resourced and well-equipped classrooms. One enters the school through the brightly lit, friendly, administrative and reception areas. There is a preschool playground that offers the students the opportunity for growth. There is an elementary playground that includes climbing adventure zone and swings. The school has a full-length swimming pool, tennis courts, and an outdoor court for basketball, volleyball, and badminton. The school also has a turfed soccer field that is playable year-round.

QSI International School of Haiphong, ages 2 through Secondary IV (18-year-olds), is fully accredited by Middle States Association of Colleges and Schools (MSA), an accrediting body from the United States.

The school encompasses students ages two through Secondary IV (18-year-olds) with a current enrollment of 145 students. The Middle School has an enrollment of twenty students, and the Secondary School has an enrollment of 25 students. Students at QSI International School of Haiphong represent 23 different nationalities. 6% are from the United States.

The curriculum includes English (reading, grammar, composition, and spelling), Mathematics (basic skills up to university preparation), Cultural Studies (history, geography, economics, political science), Science (physical, life, and earth), Art, Music, Computers, and Physical Education. Intensive English classes are offered to students that need additional help with the English language. Second language acquisition is offered in Vietnamese, Chinese and Spanish with additional options if students choose. The school seeks to provide students with an appreciation for the rich culture and history of Vietnam. Materials and equipment are up to date and of high quality. Class sizes are small, and the faculty is mostly American.
GRADING SYSTEM:

Mastery of each essential unit is evaluated with an A or B (mastery grades). B represents mastery at a very good level, and A represents mastery with the student demonstrating higher order thinking skills. Mediocre or poor work, Cs and Ds, are not accepted, as students are required to engage in the essential unit until they achieve mastery. If a student has mastered a unit with a B evaluation, he/she may wish to demonstrate a higher level of mastery at a later time, within that current school year, to change the evaluation to an A. Time periods (quarters, semesters, terms) are not evaluated; student performance for the school year is assessed on each essential unit in which a student is engaged.

GRADUATION REQUIREMENTS:

The Academic Diploma with Honors is the most advanced diploma offered by QSI International School of Haiphong. Requirements are the same as the Academic Diploma but with the added condition that accumulated credits include at least two Advanced Placement (AP) courses (ten credits each). A total of 240 QSI credits are required for this diploma. For students to graduate with an Academic Diploma, the minimum requirements are 24 Carnegie units or 240 QSI credits in the following areas of concentration: English 80 cr., Mathematics 30 cr., Science 30 cr., Cultural Studies 40 cr., Personal Health 25 cr., Languages 20 cr., Fine Arts 10 cr., Creative & Applied Arts (elective credits).

The General Diploma is available to students experiencing English language difficulties, time restraints, or other challenges that make it impractical to pursue an academic diploma. The basic minimum requirements are 22 Carnegie units or 220 QSI credits: English 50 cr., Mathematics 20 cr., Science 20 cr., Cultural Studies 30 cr., Personal Health 25 cr., Languages 20 cr., Fine Arts 10 cr., Creative & Applied Arts (elective credits).

CLASS RANK:

Due to the mobility of QSI students and the relatively small graduating classes, as well as the variety of educational systems from which students come, class rank is not reported.
