QSI International School of Yerevan

GPA and Class Rank

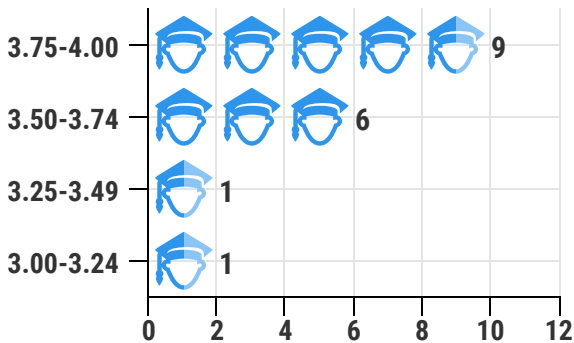

Due to the nature of the school and small class sizes, QSI International School of Yerevan does not rank students.

The cumulative GPA on student transcripts only reflects courses taken at QSI. Grades from previous schools are not included in the GPA but are listed as transfer classes on student transcripts.

GPA Data

Cumulative GPA of currently enrolled Secondary III and IV students. Only QSIY grades are included.

GPA Distribution

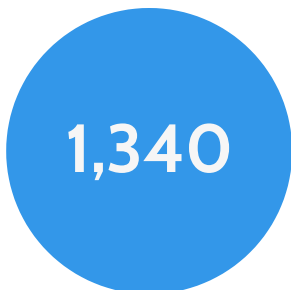

SAT Score Data

18 QSIY students took the SAT exam in the last two years. All scores, including those from non-native English speakers, are included.

World mean:

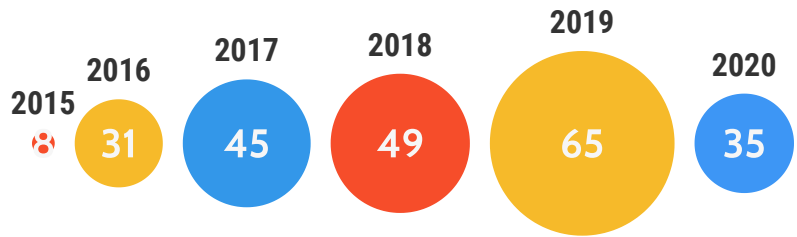

QSIY mean:

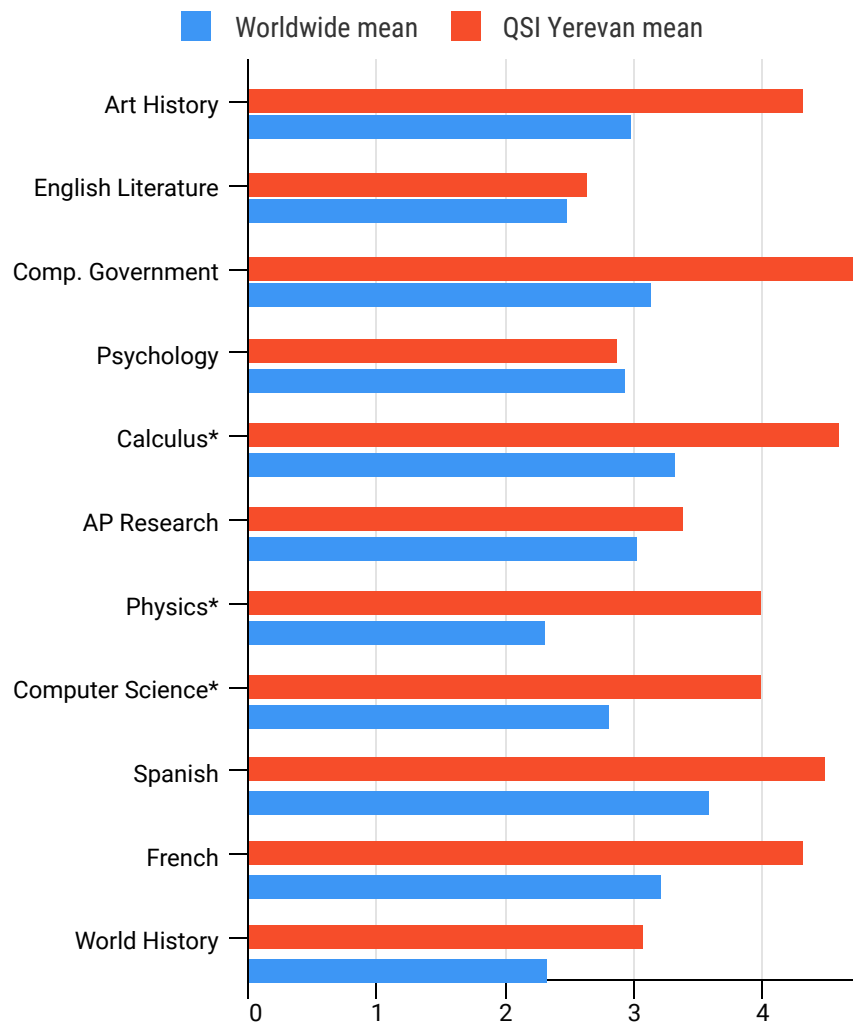

Advanced Placement Program

QSI International School of Yerevan offers AP courses on site and online. We do not have a set limit on the number of courses that students can take.

Number of AP Exams Taken Each Year*

AP Exam Data

* the 2020 is partially explained by the transition to online testing for AP. Many students chose not to take the exams because of the new format. The pass-rate of QSIY remained an exceptional 85% regardless.

QSI International School of Yerevan

Grading System of QSIY

QSI International School of Yerevan is dedicated to the practice of mastery learning in all classrooms. Mastery of each essential unit is evaluated with a mastery grade. Detailed status reports are sent home five times a year.

A grade of "A" denotes mastery of learning outcomes with demonstrated higher order thinking skills.

A grade of "B" denotes mastery of the learning outcomes at a basic level; students have the option to demonstrate higher level "A" mastery at a later time.

At QSI schools, mediocre or poor work, "C" or "D" level work in other schools, is not acceptable. Students will re-engage essential units until they have demonstrated mastery at the "B" or "A" level.

Units are the basis of grading and time periods (quarter, semester and term) are not evaluated.

Assessment is continuous and student performance is assessed on learning outcomes and units of study.

Graduation Requirements

Academic Diploma - 240 Carnegie Units

- 70 units  English
- 30 units  Science
- 10 units  Technology
- 30 units  Mathematics
