The objective/TSW: The Student Will list Chinese inventions and advances during its long history.

Porcelain (China) was first made during the Tang Dynasty (618-907 A.D.).

The 12/13-year-old students got to study Chinese Dynasties and their inventions with a visit to Herend's Porcelain Museum and mini factory. What a beautiful way to combine learning with fun!

AERIAL BALLET

We are excited to begin offering an aerial ballet after-school activity beginning October 1.

We have a limited number of spaces, so we might have to cycle classes depending on student interest.

Six students two days per week, ages 6 and older

Tuesday and Wednesday 15:30-16:30

Email florentina-ekes@papa.qsi.org if interested.

CUB SCOUT DEN LEADERS NEEDED

We will begin Scouts next Quintile, starting October 21, beginning with our little Lions (5 year-olds) all the way through Scouts BSA in Secondary, both co-ed.

Scouting is adventure, family, fun, character, leadership and so much more. In Scouting, boys and girls start with their best right now selves and grow into their very best future selves. It's fun, hands-on learning and achievement that puts kids in the middle of the action and prepares them for today – and for life.

Our teachers will certainly be participating, but to run a Scout program, we need a lot more support, primarily in the form of Cub Scout Den Leaders. If you've never been involved with Scouts, that's okay! No experience necessary. Hud Crites is our Cub Master, and he will be guiding all Den Leaders through the fun and easy steps necessary to run a successful program. Den Leaders will need to commit to meeting with their small groups of Cub Scouts (divided by age) once every other week. If you can find a partner, an assistant Den Leader, you can alternate weeks if you want.

When signing up your child for Scouts (after you've gotten in touch with Hud), there will be a place you can click to become a volunteer. You can also contact Hud directly to get the ball rolling. Please consider joining in, and also spread the word. Den Leaders don't have to be parents. If you know someone at the base or elsewhere that might be interested, send them to me.

Hud Crites has posted information on Facebook, but you can also contact him at hud-crites@papa.qsi.org.
