Conferences run from 15-20 minutes. You will have the opportunity to discuss where your child is academically and socially, challenges and successes, and general information regarding the school year to date.

If you are unable to attend, please let your child's teacher know.

BOOK EXCHANGE

Our *Fall Into Reading* month book exchange will be this Thursday morning, October 10 for students aged 3 to 11. We could use your help in collecting books for these students by Thursday morning.

Students attending the book exchange with their class will be able to pick out an age-appropriate book to take home.

Books will be collected in the basket just inside the front door to the school or have your child give them to the classroom teacher. Non-English books are also accepted.

CUB SCOUT DEN LEADERS NEEDED

We will begin Scouts next Quintile, starting October 21, beginning with our little Lions (5 year-olds) all the way through Scouts BSA in Secondary, both co-ed.

Scouting is adventure, family, fun, character, leadership and so much more. In Scouting, boys and girls start with their best right now selves and grow into their very best future selves. It's fun, hands-on learning and achievement that puts kids in the middle of the action and prepares them for today – and for life.

Our teachers will certainly be participating, but to run a Scout program, we need a lot more support, primarily in the form of Cub Scout Den Leaders. If you've never been involved with Scouts, that's okay! No experience necessary. Hud Crites is our Cub Master, and he will be guiding all Den Leaders through the fun and easy steps necessary to run a successful program. Den Leaders will need to commit to meeting with their small groups of Cub Scouts (divided by age) once every other week. If you can find a partner, an assistant Den Leader, you can alternate weeks if you want.

When signing up your child for Scouts (after you've gotten in touch with Hud), there will be a place you can click to become a volunteer. You can also contact Hud directly to get the ball rolling. Please consider joining in, and also spread the word. Den Leaders don't have to be parents. If you know someone at the base or elsewhere that might be interested, send them to me.

Hud Crites has posted information on Facebook, but you can also contact him at hud-crites@papa.qsi.org.
